**NOTICE TO ALL THE STUDENTS**

THA/2018-19/146

August 24, 2018

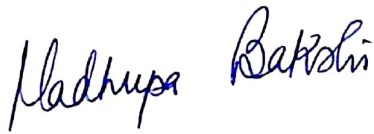

Kerala State has undergone severest crisis, on account of incessant rains. The entire state has been inundated, with large number of bridges being washed out and lakhs of people displaced from their homes.

Losses on account of this calamity have been estimated to be over Rs. 19,000 Crores. In this time of crisis, it is the duty of every citizen of the country, not only to express solidarity with them, but also contribute to the state exchequer, to supplement their efforts to part compensate the loss.

It has thus been decided to call upon all our students to contribute generously to this noble cause of helping our own countrymen in distress.

Contribution of at least Rs.100/- (Rupees One Hundred only) may be deposited online through college website ([www.tha.edu.in](http://www.tha.edu.in)) by clicking on the link **Kerala Flood Relief Fund**. The amount thus collected will be sent to the Government of Kerala, Chief Minister's Distress Relief fund(CMDRF).

We are sure that keeping in mind our tradition, all will rise to this call and contribute to the cause, generously.
